CLUB NOTES

Signs of a revival in Charlton win

At last, and decidedly not before time, North End have enjoyed a change of fortune and so, in particular, has Alex Dawson, who got all our goals in a hard-earned and most welcome win at Charlton. What is more he achieved the unusual feat of a hat-trick of headers and might have had one or two more this way.

This says a lot for his alertness in seeing the chances and taking them when centres came across from right and left with more frequency than on his previous appearance, but Alex, no doubt, would readily offer a vote of thanks to a goalkeeper whose positioning was not as smart as his own.

No one here is complaining. It is how things go in football and we have had more than our share of such rubs of fortune this season, as supporters do not need reminding. What matters is that North End returned with two valuable points and thereby avoided the indignity of being at the foot of the table.

While it was anything but a great game at the Valley, North End showed keen spirit and played the more constructive football in setting up a two-goals lead. Unfortunately this was swept away very quickly in a second half burst of aggression by Charlton, our team once more paying the penalty for easing off.

CLUB NOTES—continued

However, all's well that ends well. North End hit back, being determined not to relinquish hope of a much needed away win, and there were signs of a revival in the urge which brought a late decider. If this can be kept up and the general improvement maintained we should soon be climbing the table.

The lads were the more suited because North End at last had laid low the bogy which seems to hang over the team whenever they visit Charlton. A 3-2 win made partial amends for the disappointments of being beaten at Bolton and at Newcastle, two grounds on which we usually get good results.

A further gratifying feature was that this second away win of the season — the first was at Ipswich as long back as August 29th by 5-1 — ended a depressing run of six away defeats. Considering that North End have scored 18 goals in away matches we ought to have had more to show for our efforts.

The same applies to a slightly less extent to home matches. It would be a great relief if the loss of points at Deepdale ended to-day considering that we have won only two of nine games, five having been drawn and two lost. It is a poor look-out for any club if they cannot do better than that at home.

The last game here was a repetition for Manchester City of the splendid win they achieved a few seasons ago, and just as emphatic thanks to Derek Kevan and Neil Young taking full advantage of the latitude allowed them and of errors in defence to score five between them. The whole team are of one mind in their resolve not to let anything like it happen again.

KNOW YOUR TEAM 10. *Tony Singleton*

A hard worker for the team of his native town, and popular because of it, is Tony Singleton, a strapping near-six-footer verging on 13 stone. Like all players he has his occasional off-days, and big Tony's usually occur when he starts worrying over what other players are either doing, or not doing, and he is the one who bears the brunt because his position is the gate-way to goal. But when Tony makes up his mind to be decisive and shift the ball there are few as effective in the essentials of his job, such as tight marking, stern but fair tackling, good heading and clearing the danger. Built for a commanding role he was one of the most improved players in the team last season, dependable and consistent, and 100 per cent for North End, as he proved in our run to Wembley. His greatest joy was in the honour of playing there, coupled with the fact that his solitary goal in first-class football — one right out of the blue in the semi-final — put Preston in the Final. But he will also be long remembered for his magnificently quelling St. John when Liverpool, in their promotion season of 1961-62, failed to score in three Cup games with North End and finally succumbed. Brought up with our junior teams he had a long time to wait for his League debut, being the same age as when Tom Finney made his, and it was a case of going through the fires. It was our relegation season (1960-61), we had lost the first three matches, and he missed the second half through bruised ribs. Since then he has topped 200 appearances for the senior side in five seasons.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

OUR VISITORS—*Leyton Orient*

A hearty welcome to Leyton Orient, who are paying their ninth visit to Deepdale since their initial appearance, as long ago as September 7th, 1912, when they were known as Clapton Orient, resulted in a shock for promotion-seeking North End. We had just been relegated and lost 0-1.

That defeat was avenged in the return match. The Londoners' only other win against Preston in the 16 League matches between the clubs was on March 30th, 1929, a season destined to end Orient's run of 20 years in the Second Division. They were fated to spend the next 20 seasons in Division III (South).

Gaining 61 points in 1954-55 they had to concede pride of place and promotion to Bristol City (70 points), but went up the following season with no fewer than 66 points. Orient's one other purple patch occurred three years ago when they achieved elevation to the Premier division along with Liverpool.

An ironic thought for us is that 54 points and 69 goals did the trick for Leyton, Sunderland coming third with 53 and Scunthorpe fourth with 49; whereas last season North End had to be content with third place despite an aggregate of 79 goals and 56 points. In Leyton's promotion season we beat them twice.

The full record is five Preston wins and nine draws in 16 matches, with 26 goals to 18. Note the frequency of draws. Orient, like Ipswich Town, enjoyed only short tenure of Division I status, being relegated in their first season together with Manchester City. Back in familiar company they started with a home match against North End in August, 1963, and drew 2-2.

The "O's," founded in 1881, became a professional club in 1901, gained League Division II status in 1905 by election, and changed to the present name in 1946. Their second season was their worst — only 21 points out of 76; but it is typical of Orient's spirit through the years that they kept their heads high.

LEYTON ORIENT PLAYERS

Mike Pinner (*goalkeeper*). Amateur international for England. Hails from Boston and is a brilliant performer on his day who has played for many clubs. Made 31 League appearances for the Orient last season.

Michael Hollow (*right back*). Signed for Leyton in July last year after playing for a County Youth team. Born Hertford. Showed promise last season in making 12 appearances in the League. Young enough to improve.

David Webb (*left back*). Born Stratford (London). Signed in May, 1963, after his promise in Orient's reserve team had indicated a useful career.

Gerry Ward (*right half*). Well-known as a decidedly accomplished ex-Arsenal wing half whose transfer to Orient was arranged in July, 1963. Another Londoner, he was born at Leytonstone. He joined Arsenal straight from school.

Andrew Nelson (*centre half*). An acquisition as recently as September this year from Ipswich Town, and formerly with West Ham United. Born in London.

Dennis Sorrell (*left half*). Completes a half back trio of Londoners, having first seen the light at Lambeth. Started at Leyton when 17 in 1957, joined Chelsea five years later, and was transferred in September last by Tom Docherty.

Terry Price (*outside right*). Signed professional August last year after a year's apprenticeship. A regular member of the Colts and Reserve teams, made his League debut this season. Toured with F.A. team in February. Born Colchester.

Gordon Gregory (*inside right*). Local boy born at Homerton. Played for Hackney schoolboys and graduated as an Orient professional via the ground staff. A Youth international made League debut 1962. Last season: 17 League appearances.

Dave Dunmore (*centre forward*). Born at Whitehaven. Previous clubs West Ham United, Tottenham Hotspur and York City. Signed from West Ham in 1961, he helped to put Leyton in Division I by scoring 22 of 69 League goals. Less effective since.

Ted Phillips (*inside left*). Signed on March 16th from Ipswich Town after setting up a record for his club by scoring 193 goals. In his nine League appearances for Leyton last season he scored four. Born Colchester.

Terry McDonald (*outside left*). Yet another Londoner, having been born at Stepney. Signed from West Ham United in 1957, and has been a good servant in appearing regularly for Orient in League matches.

OLD FAVOURITES 10. *Ken Horton*

North End have been blessed with many whole-hearted players, but it is doubtful whether any consistently put more enthusiasm into his play than this son of Preston who was always so proud, win or lose, to be playing for the town club. Ever-willing, like the immortal Barkis, was Ken, ever-ready to give of his best no matter where this Admirable Crichton of his day was required to play — and he was seen in no fewer than five positions in North End's first team during his seven seasons at Deepdale from 1946-47. With Bill Shankly starting this campaign at centre half, Ken was drafted in at right half, playing behind Tom Finney and Willie McIntosh in a 3-2 home win against Leeds. Then he was out, and Ken never liked being dropped! His next spell, a short one, was at inside right, as Tom's grafting partner, and when he moved on to Hull City in December, 1952, he had made 59 League appearances at right half, 32 at left half, 9 at outside right, 64 at inside right and two at inside left — total 166. He waited a long time for some sort of fame, but it duly came in our promotion season of 1950-51. Recalled to inside right he clicked, shared in a record run of 20 League games without defeat, established a club scoring record for his position of 22 goals in 32 League games at inside right, and he and Bobbie Beattie between them kept out none other than costly Eddie Quigley, who chafed and chafed but could not get back.

SUPPORTERS' CLUB NOTES

Enthusiasm among Junior members

JUNIOR MEMBERS between the ages of 12 and 18 years should note that the date of their Christmas party has been changed to Monday, December 14th.

COMEDY AND COWBOY films will be shown to all Junior members on Monday, November 30th, at 7 p.m. The show is expected to finish about 8-30 p.m.

JUNIOR FOOTBALL TEAM : Approximately 100 youngsters attended the meeting on November 11th and were split into three age groups as it is intended to form three teams : under 10's, under 14's and under 18's. Many of the younger ones were a little disappointed at such a short meeting, but it is pointed out that it was essential for the reason of measuring the support for the formation of such teams. As soon as a pitch has been obtained for the boys to play on Saturday mornings, trial matches will be arranged. For the present, however, all members must supply their own kit — the colours are the same as North End's.

RIBBLETON PARISH Y.C. 0, SUPPORTERS' CLUB 6. It was grand to see our side back in the winning way in such a dominant fashion. The club half-back line of Dimmock, Wilson and Kaye was outstanding throughout and the whole side did well in turning a 1-0 interval lead into a runaway victory. Centre forward Roy Christopher was outstanding in attack although he did not score. Scorers were Mick Gornall 2, Terry Dimmock, Tony Davey, Dave Willan and Tony Langton.
